Product Description:

Bring timeless elegance to your bathroom with the Strom Living Tub Faucet with Gooseneck Spout. Designed to complement traditional leg tubs, this classic faucet features a beautifully curved gooseneck spout that enhances the aesthetic of your bathroom while providing excellent functionality. Available in two stunning finishes, it allows you to choose the perfect match for your décor. This faucet is built to last, with high-quality materials that ensure durability and long-term performance. Whether you're updating an existing tub or completing a new installation, this faucet is the perfect finishing touch for your bathroom.

Product Dimensions:

Wall to Spout Extension	3 3/8"
Spout Height	9 3/4"
Overall Product Weight	5.8 lb

Product Features:

- **Classic Gooseneck Design:** The graceful curve of the gooseneck spout adds a touch of sophistication and timeless appeal, perfectly complementing traditional leg tubs and freestanding bath setups.
- **Available in Two Finishes:** Choose between two premium finishes to match your bathroom's style whether you prefer a polished, contemporary look or a more classic, vintage finish.
- **Durable and Long-Lasting:** Constructed from high-quality materials, this faucet is built to resist wear and maintain its functionality for years to come, even with everyday use.
- **Complete Installation Kit:** Includes everything you need for a smooth installation, including the faucet body, handles, lock-down nuts, supply nuts, and washers.
- **Space-Saving Design:** The faucet extends 3 3/8" from the wall, offering a compact yet effective water flow that maintains both style and functionality.
