Product Description:

The Strom Living Tub Faucet with Diverter Handle and Gooseneck Spout brings timeless elegance and functionality to your bathroom. This beautifully designed faucet is ideal for pairing with leg tubs, offering both a classic look and modern versatility. Featuring a gooseneck spout and a diverter handle, it allows you to easily switch between a handheld shower or a shower riser, depending on your preference. Available in a variety of finishes, this faucet can be tailored to complement your bathroom decor, whether you're aiming for a vintage-inspired look or a more contemporary style.

Product Dimensions:

Wall to Spout Extension	8"
Spout Height	9 ¾"
Overall Product Weight	6.4 lb

Product Features:

- **Elegant Gooseneck Spout:** The beautifully curved gooseneck spout provides a vintage-inspired look while offering a functional and efficient water flow. Perfectly suited for leg tubs, it creates a focal point in your bathroom design.
- **Diverter Handle:** The convenient diverter handle allows you to easily switch between a handheld shower or a shower riser. This added flexibility ensures you have the right water flow option for any bathing or showering needs.
- **Versatile Installation:** Designed to work with both a handheld shower and a shower riser, this faucet offers ultimate versatility, making it ideal for a range of bathroom configurations.
- **Durable Construction:** Built from high-quality materials, this faucet is designed for durability and long-lasting performance, ensuring it can withstand daily use without compromising its appearance.
- **Complete Installation Kit:** Includes the faucet body, three handles, lock-down nuts, supply nuts, and washers—everything you need for a smooth and easy installation.
