## Product Description: Add "Color / Finish" suffix to Model number, below.

The Exposed Thermostatic Shower Set with Handheld Shower offers a refined solution for those seeking both style and functionality in their bathroom. Featuring an exposed design, it exudes contemporary elegance and serves as a striking centerpiece in any modern bathroom. This set integrates the precision of thermostatic control with the flexibility of a handheld shower, ensuring an aesthetically pleasing yet practical shower experience. The thermostatic valve ensures accurate temperature regulation, delivering a safe and consistently enjoyable shower. Ideal for enhancing both the look and performance of your bathroom, this set combines sophisticated design with exceptional comfort and utility.

## Product Dimensions:

Shower Head	4.33" H X 7.87" W X 15.5" L
Overall Height - Top to Bottom	46" H
Hand Shower Hose Length End to End	60" L
Overall Product Weight	15.95 lb.

## Product Features:

- **Thermostatic Control:** Advanced thermostatic valve for precise temperature adjustment, preventing sudden changes and ensuring a consistently enjoyable and safe shower.
- **Exposed Design:** Modern exposed setup that brings a sleek, contemporary look to your bathroom decor, making it a standout feature.
- **Handheld Shower:** Versatile handheld shower with multiple spray settings for customized comfort and ease of use, ideal for targeted rinsing and convenience.
- **Easy Installation:** Includes all necessary components and clear installation instructions, simplifying the setup process.
- **Water-Efficient:** Engineered to conserve water while maintaining performance, supporting eco-friendly practices.
