## Product Description: Add "Color / Finish" suffix to Model number, below.

Elevate your bathroom's style and functionality with the Exposed Thermostatic Shower Set, featuring a gooseneck riser and a sleek spout. This sophisticated set blends modern design with high-performance features, making it the perfect choice for a contemporary bathroom upgrade. The exposed thermostatic control provides precise temperature management, ensuring a consistently comfortable and safe shower experience. The gooseneck riser adds an element of elegance while offering ample height and flexibility. Paired with a stylish spout, this set enhances both the aesthetic and functional aspects of your space, delivering exceptional performance and luxury.

## Product Dimensions:

Shower Head	4.33" H X 7.87" W X 14" L
Overall Height - Top to Bottom	41" H
Tub Faucet	8.5"
Overall Product Weight	21 lb.

## Product Features:

- **Thermostatic Control:** Advanced thermostatic valve for precise temperature regulation, preventing sudden fluctuations and ensuring a safe and enjoyable shower experience.
- **Exposed Design:** Sleek and modern exposed setup that adds a touch of contemporary elegance to your bathroom.
- **Gooseneck Riser:** Features an elegantly curved gooseneck riser that provides ample height and flexibility, contributing to both style and functionality.
- **High-Quality Construction:** Constructed from durable, premium materials designed to resist corrosion and wear for long-lasting performance.
- **Water-Efficient Design:** Engineered to conserve water while maintaining high performance, supporting eco-friendly practices.
