Product Description: Add "Color / Finish" suffix to Model number, below.

Discover the perfect fusion of style and functionality with the Exposed Thermostatic Shower Set. This elegant shower system boasts a striking exposed design that enhances the modern aesthetic of any bathroom. The thermostatic control ensures your shower experience remains consistently pleasant by maintaining your desired water temperature. With adjustable centers, this shower set offers flexible installation options, making it easy to adapt to various plumbing setups. The multifunction diverter allows for smooth transitions between different shower functions, while the handheld showerhead adds versatility for targeted rinsing and convenient cleaning. Ideal for those seeking both luxury and practicality, the shower set delivers superior performance and sophisticated design.

Product Dimensions:

Shower Head	2'75" H X 4.88" W X 16" L
Overall Height - Top to Bottom	58" H
Wall Support	12"
Overall Product Weight	19 lb.

Product Features:

- **Thermostatic Control:** Maintains a stable water temperature, providing a safe and comfortable shower experience without sudden temperature fluctuations.
- **Adjustable Centers:** Flexible installation with adjustable centers to fit various plumbing configurations and enhance compatibility.
- **Multifunction Diverter:** Effortlessly switch between different shower modes, including overhead and handheld options, for a customizable experience.
- **Exposed Design:** Adds a sleek, modern touch to your bathroom décor with its exposed piping and stylish controls.
- **High-Quality Construction:** Made from durable materials to ensure long-lasting performance and resistance to wear and tear.
